VETERAN'S PREFERENCE POINTS

In order for Veteran's Preference Points to be awarded for military service that has occurred Since May 8, 1975, an armed forces expeditionary medal or theater of operations service medal must be listed on Form DD-214 or other official document from the Department of Veteran's Affairs. Such a medal would receive one of the following designations:

- "World War II" between Dec. 7, 1941 and Dec. 31, 1946;
- "Korean Conflict" between June 25, 1950 and Jan. 31, 1955;
- "Viet Nam Conflict" between July 1, 1958 and Dec. 22, 1961, if the employee earned the
- Viet Nam service medal or the armed forces expeditionary medal;
- "Viet Nam Conflict" between Dec. 22, 1961 and May 7, 1975; or
- Any other war or armed conflict that has occurred since May 8, 1975, and in which the (candidate) has earned an armed forces expeditionary medal or theater of operations service medal.

For service occurring before 1990, the required service medal would be termed "Armed Forces Expeditionary Medal" and would be listed on Form DD214. For service occurring after 1990, required medals would be termed either

- "Southwest Asia Service Medal"

- "Kuwaiti Liberation Medal" as listed on Form DD214. Other service which has occurred in an actual field of conflict may also be taken into consideration.

If you are currently a full-time employee of the State of New Hampshire Veteran's Preference point are only awarded upon initial entry to State classified service.

If you have not been awarded Veteran's Preference Points and can provide documentation of one of the medals listed above and you have served no less than ninety (90) days in the military and have been discharged under honorable conditions, please email a copy of such documentation by replying to this email along with a cover letter explaining all circumstances you wish to be considered.

Requests for Veteran's Preference Points will be reviewed on an individual basis and an updated examination result letter will be forwarded if such points are rewarded.
